

2024 - 2025

**First
Presbyterian
Preschool
Partners**

Dear Parents/Business Leaders,

This year, First Presbyterian Preschool is excited to start a "Preschool Partners" program. This program will aid our teachers in reinforcing biblical and educational experiences at school. Our teachers are always working so diligently to teach their students about God as well as helping them to learn letters, sounds, numbers and so much more! They provide them with wonderful experiences in movement, music and art using different materials and mediums. For some of these experiences, teachers spend their own money to buy many of the supplies they use. It is our hope that through individual donations from you, we can assist the teachers in their efforts to purchase items they need to teach and to provide appreciation to staff. 100% of your donation will go directly to the preschool to purchase books, biblical activities, games, craft materials, celebration items for teachers, special events and educational supplements that will be used for students, teachers and classrooms.

What a wonderful way to give to this crucial and dearly loved mission of First Presbyterian Church. Our students and staff THANK YOU for your kind heart and generous donation. We'll be sure to include your name or business on a "thank you banner" at the preschool and on our website.

You make a huge difference by being a Preschool Partner!

Thank you!

Your sponsorship will help us to pay for:

T-Shirts for every student

Animal Shows

Educational Games and Biblical Materials

Happies for Students and Teachers on Birthday Days as well as Special Occasions

Art Supplies

Many other materials and events

Yes! I would love to be a Preschool Partner!
